Appendix 1

1. Risk oversight Responsibilities

The responsibilities of the Committee shall be to:

- i. Provide advice to the Board on risk strategy and oversee the development, implementation and maintenance of CFSL's overall risk management framework and its risk appetite, strategy, policies, to ensure they are in line with emerging regulatory, corporate governance and leading practices;
- ii. Help to set the tone and develop a culture of the enterprise vis-à-vis risk, promote open discussion regarding risk, integrate risk management into the organisation's goals and compensation structure, and create a corporate culture such that people at all levels manage risks rather than reflexively avoid or heedlessly take them;
- iii. Review, formulate and recommend those policies, which are reserved for the Board's approval in respect of risk management issues and strategies, and risk tolerance for the Board's approval;
- iv. Review the risk management infrastructure, resources and systems for risk management and ensure that the staff responsible for implementing risk management systems perform those duties independently of the risk taking activities;
- v. Periodically review and evaluate the company's policies and practices with respect to risk assessment and risk management;
- vi. Review CFSL's risk profile particularly the risk trends, risk concentrations, key risk indicators and the performance versus the risk appetite;
- vii. Review of material outsourcing arrangements, the capabilities within the organisation for Disaster Recovery and Business Continuity Management;
- viii. Review risk report with respect to cyber and technology risks and ensure effective measures are in place to reduce the risks;
- ix. Obtain reasonable assurance from management that all known and emerging risks have been identified and mitigated or managed;
- x. Review and recommend to the Board for approval the delegated credit authority framework including the sanctioning powers of the Management Credit Committee;
- xi. Discuss with the CEO and management the company's major risk exposures and review the steps management has taken to monitor and control such exposures, including the company's risk assessment and risk management policies;
- xii. Review and assess the effectiveness of the company's enterprise-wide risk assessment processes and recommend improvements, where appropriate; review and address, as appropriate, management's corrective actions for deficiencies that arise with respect to the effectiveness of such programs.

2. Reporting Responsibilities

The Committee shall:

- i. Understand and approve management's definition of the risk-related reports that the committee could receive regarding the full range of risks the organisation faces, as well as their form and frequency;

- ii. Respond to reports from management so that management understands the importance placed on such reports by the committee and how the committee views their content;
- iii. Read and provide input to the board and audit committee regarding risk disclosures in financial statements and other public statements regarding risk;
- iv. Coordinate (via meetings or overlap of membership), along with the full board, relations and communications with regard to risk among the various committees, particularly between the audit and risk committees;
- v. Disclose in the company's Annual Report how it has satisfied itself that risk assessments, responses and interventions are effective; and
- vi. Report formally to the Board (through the Chairperson) in a timely manner on its proceedings after each meeting on all matters within its duties and responsibilities.

3. Other responsibilities

- i. The RMC shall evaluate the committee's and individual members' performance on a regular basis.
