- 6.3. Subject to Conditions 6.1 and 6.2, payments of Interest and Redemption Amounts shall be made by the Issuer via electronic funds transfer to the account designated for the purpose by the Noteholder.
- 6.4. All payments of Nominal Amount and Interest in respect of the Notes are subject in all cases to the laws of Mauritius, fiscal or otherwise in the place of payment, but without prejudice to the provisions of Condition 12. No commissions or expenses shall be charged to the Noteholders in respect of such payments.
- 6.5. Where payment is to be made by transfer to a registered account, payment instructions (for value the due date or, if that is not a Business Day, for value the first following day which is a Business Day) will be initiated (i) on the due date for payment or, if later, the day on which the relevant Certificate is surrendered at the specified office of the Issuer (in the case of Nominal Amount and Interest due on Redemption), and (ii) on the due date for payment (in the case of Interest due other than on Redemption).
- 6.6. If at any time a partial payment of the Nominal Amount and/or Interest is made in respect of any Note, the Registrar shall endorse the Register with a statement indicating the amount and date of such payment.
- 6.7. In the event that, for any reason, payment by means of electronic funds transfer is not possible, payment will be made by cheque in the manner set out in the remainder of this Condition 6.
- 6.8. Cheques in payment of Interest and Redemption Amounts shall be drawn on the Issuer and issued by the Issuer. Payment of cheques shall be a valid discharge by the Issuer of the obligation upon it to pay Interest or the Redemption Amount on Redemption, as the case may be.
- 6.9. Cheques shall be made payable to the order of (i) the Noteholder or (ii) such other Person as may have been notified in writing to the Registrar by the Noteholder (accompanied by the address of that Person and such proof of authority as the Issuer or the Registrar may require).
- 6.10. Cheques shall be dated with the relevant Interest Payment Date or Redemption Date, as the case may be, and shall therefore be payable on that date. Cheques shall be posted to the Noteholder entitled thereto in terms of Condition 6.9(i) at the address of the Noteholder in the Register (or such other address as may have been notified in writing to the Registrar by the Noteholder not later than the relevant Last Day to Register) or to the Person referred to in Condition 6.9(ii) at the address given in the notice referred to in Condition 6.9(ii).
- 6.11. Subject to Condition 6.12, cheques shall be posted by registered post, provided that neither the Issuer nor its agents shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 6.
- 6.12. If written notice of the intention to collect a cheque is given to the Registrar at least five (5) Business Days before the relevant Interest Payment Date or the Redemption Date, the cheque shall be available for collection by the Noteholder entitled thereto in terms of Condition 6.9(i)

or the Person entitled thereto in terms of Condition 6.9(ii) or their respectively duly authorised representatives at the office of the Registrar.

- 6.13.** If a cheque is not collected within three (3) Business Days after the relevant Interest Payment Date or the Redemption Date, the cheque shall be posted to the Noteholder entitled thereto in terms of Condition 6.9(i) at his address set out in the Register (or to such other address as may have been notified in writing to the Registrar by the Noteholder not later than the relevant Last Day to Register) or to the Person notified in terms of Condition 6.9(ii), which notification shall contain that Person's address.

7. Redemption, purchase and cancellation

7.1. At Maturity

- 7.1.1** Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified thereon at its Final Redemption Amount.

7.2. Redemption for tax reasons

- 7.2.1** The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) Business Days' notice to the Noteholders (which notice shall be irrevocable) at their Nominal Amount, together with Interest accrued to the Early Redemption Date) if, immediately before giving such notice, the Issuer satisfies the Noteholders or the Noteholders' Representative, as applicable, that:

- i.** the Issuer has or will become obliged to pay any additional amount as a result of any change in, or amendment to, the laws or regulations of Mauritius, or any political subdivision or any authority thereof having power to tax therein, or any change in the application or official interpretation of such laws or regulations (including a decision of a court of competent jurisdiction), which change or amendment becomes effective on or after the Issue Date of the Notes in such Series; and
- ii.** such obligation cannot be avoided by the Issuer even though reasonable measures available to it are taken.

- 7.2.2** Prior to the publication of any notice of Redemption pursuant to Condition 7.2.1, the Issuer shall deliver or procure that there is delivered to the Noteholders or the Noteholders' Representative, as applicable:

- i.** a certificate signed by two (2) directors of the Issuer stating that the Issuer is entitled to effect such Redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred; and
- ii.** an opinion, in form and substance to the reasonable satisfaction of the Noteholders or the Noteholders' Representative, as applicable, of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay any additional amounts or has or will become obliged to make any additional withholding or deduction as a result of such change or amendment. The Noteholders or the Noteholders' Representative, as

applicable, shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the circumstances set out in Conditions 7.2.1(i) and 7.2.1(ii) above in which event they shall be conclusive and binding on the Noteholders. Upon expiry of any such notice as referred to in this Condition 7.2, the Issuer shall be bound to redeem the Notes in accordance with this Condition 7.2.

7.3. Early Redemption at the option of the Issuer

7.3.1. If a Call Option is provided for in respect of a Series of Notes in the Applicable Pricing Supplement, the Issuer may, subject to the laws of Mauritius and any approvals as may be indicated in the Applicable Pricing Supplement and on giving not less than thirty (30) nor more than sixty (60) Business Days' irrevocable notice to the Noteholders or the Noteholders' Representative (or such other Notice Period as may be specified in the Applicable Pricing Supplement), redeem all, or, if so provided, some of the Notes on the Early Redemption Date specified in the Exercise Notice. Any such redemption of Notes shall be at their Early Redemption Amount together with Interest accrued to the Early Redemption Date. If regulatory approval is necessary, it shall be set forth in the Call Option.

7.3.2. All Notes in respect of which any such notice is given pursuant to a Call Option shall be redeemed, on the date specified in such notice in accordance with this Condition.

7.3.3. In the case of a partial Redemption pursuant to a Call Option, the notice to Noteholders shall also contain the certificate numbers of the applicable Notes to be redeemed. In the case of partial Redemption each Note in a Series shall be redeemed in the same percentage of its Nominal Amount outstanding. In the case of partial Redemption of all Notes, each Series shall be redeemed in that percentage of the funds available for payment in redemption as the aggregate Nominal Amount outstanding in that Series bears to the aggregate Nominal Amount of all Notes outstanding and each Note in the Series shall be redeemed in the same percentage of Nominal Amount outstanding, subject to compliance with the laws of Mauritius.

7.4. Early Redemption Amount

7.4.1. The Early Redemption Amount payable in respect of any Note upon Early Redemption of such Note pursuant to Condition 7.2 or Condition 7.3, or upon it becoming due and payable as provided in Condition 4 and shall be calculated as follows:

- i.** in the case of Notes with a Final Redemption Amount equal to the Nominal Amount, at the Final Redemption Amount thereof; or
- ii.** in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price, to be determined in the manner specified in the Applicable Pricing Supplement, at that Final Redemption Amount or, if no such amount or manner is so specified in the Applicable Pricing Supplement, at their Nominal Amount; or
- iii.** in the case of Zero Coupon Notes, at an amount equal to the product of the Implied Yield (compounded semi-annually) and the Issue Price of Zero Coupon Notes from (and including) the Issue Date to (but excluding) the date fixed for Redemption or, as the case may be, the date upon which such Note becomes due and payable, or such other amount as is provided in the Applicable Pricing Supplement.

- 7.4.2.** Where such calculation is to be made for a period which is not a whole number of years, it shall be calculated on the basis of actual days elapsed divided by the actual number of days in that calendar year, or such other calculation basis as may be specified in the Applicable Pricing Supplement.
- 7.4.3.** If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note, or upon it becoming due and repayable as provided in Condition 4, is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided under Condition 7.4.1, as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date on which all amounts due in respect of such Zero Coupon Note have been paid; and notice to that effect has been given to the Noteholders in accordance with Condition 14.

7.5. Purchases

- 7.5.1.** The Issuer may at any time purchase or procure others to purchase for its account the Notes at any price in an open market or otherwise. Notes so purchased may be held or resold or surrendered for cancellation, at the option of the Issuer. Any Notes so purchased, while held by or on behalf of the Issuer or any of the Issuer's affiliates, shall not entitle the Noteholder to vote at any meeting of Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of Noteholders.
- 7.5.2.** Notes purchased by or on behalf of the Issuer, or any of the Issuer's affiliates may be cancelled and if so, together with all Notes redeemed by the Issuer, may not be reissued or resold and the obligations of the Issuer in respect of any cancelled Notes shall be discharged. Notes that have been cancelled shall be surrendered by surrendering the Certificate representing such Notes to the Registrar.

8. Cancellation of notes

- 8.1.** All Notes which are redeemed shall forthwith be cancelled. All Certificates representing the Notes so cancelled and the Notes purchased and cancelled pursuant to Conditions 7.5 or 7.6 shall be forwarded to the Issuer and shall not be re-issued or resold. Where only a portion of the Notes represented by a Certificate are cancelled, the Registrar shall deliver a Certificate to such Noteholder in respect of the balance of the Notes.

9. Prescription

- 9.1.** The Notes shall become void unless presented for payment of principal and Interest within a period of three (3) years after the Relevant Date.

10. Certificates, register and transfer of notes

10.1. Certificates

- 10.1.1.** In regard of unlisted Notes, a Noteholder shall be entitled to receive a Certificate evidencing the Notes transferred to that Noteholder within seven (7) days after the registration of that transfer in accordance with Condition 14 (and which will apply mutatis mutandis to such Certificate), provided that joint Noteholders shall be entitled to receive only one certificate in respect of that joint holding, and delivery to one of those Noteholders shall be delivery to all of them.
- 10.1.2.** If a Certificate is worn out or defaced then, within fourteen (14) days of its presentation to the Registrar, the Registrar shall cancel that Certificate and issue a new Certificate in its place.
- 10.1.3.** If a Certificate is lost or destroyed then upon proof thereof to the satisfaction of the Registrar, a new Certificate may be issued to the person entitled to that lost or destroyed Certificate, provided that an indemnity is provided by the Noteholder to the Registrar and the Issuer. The person providing the indemnity and the form of the indemnity shall be to the satisfaction of the Issuer and the Registrar. The new Certificate shall be issued within fourteen (14) days from the date that the conditions precedent to issuing such Certificate have been fulfilled.
- 10.1.4.** Any entry as to the issue of a new Certificate and indemnity (if any) shall be made in the Register upon the date of issue of the new Certificate.
- 10.1.5.** Certificates shall be collected by the Noteholders from the Registrar.
- 10.1.6.** Certificates shall be provided where relevant by the Issuer without charge, save as otherwise provided in these Terms and Conditions. The costs and expenses of delivery of Certificates otherwise than by ordinary post (if any) and, if the Issuer shall so require, taxes or governmental charges or insurance charges that may be imposed in relation to such mode of delivery shall be borne by the Noteholder.

10.2. Register

10.2.1. The Register of Noteholders:

10.2.3. Except as provided for in these Terms and Conditions or as required by law, the Issuer:

- a) shall only recognize a Noteholder as the owner of the Notes registered in that Noteholder's name as per the Register; and
- b) shall not be bound to enter any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Certificate may be subject.

10.3. Transfers of unlisted Notes

10.3.1. In order for any transfer of unlisted Notes to be effected through the Register and for the transfer to be recognized by the Issuer, each transfer of an unlisted Note:

- a) must be in writing and in the Transfer Form;
- b) must be signed by the relevant Noteholder and the transferee, or any authorized representative(s) of that registered Noteholder or transferee;
- c) shall only be in respect of the stated denomination of the Note as set out in the Applicable Pricing Supplement, or integral multiples thereof, and consequently the Issuer shall not recognize any fraction of the stated denomination; and
- d) must be delivered to the Registrar together with the Certificate in question for cancellation (if only part of the Notes represented by a Certificate is transferred, a new Certificate for the balance shall be issued to the transferor and the cancelled Certificate shall be retained by the Registrar).

10.3.2. The transferor of any unlisted Notes represented by a Certificate shall be deemed to remain the owner thereof until the transferee is registered in the Register as the holder thereof.

10.3.3. Before any transfer is registered all relevant transfer taxes (if any) must have been paid and such evidence must be furnished as the Registrar reasonably require as to the identity and title of the transferor and the transferee.

10.3.4. If a transfer is registered, the Transfer Form and cancelled Certificate in respect of the Notes transferred shall be retained by the Registrar.

10.4. Transfer of listed Notes

10.4.1. Subject to Condition 10.4.2 and the terms of the Agency Agreement, transfers of Notes that are listed on the SEM will be effected through the Automatic Trading System in accordance with the trading procedures established by SEM.

10.4.2. No Noteholder may require the transfer of a listed Note to be registered where the Note has not been fully paid.

11. Agents generally

- 11.1.** Except for the Security Agent and the Noteholders' Representative (if so appointed), any third party appointed by the Issuer shall act solely as the agent of the Issuer and shall not assume any obligation towards or relationship of agency for or with any Noteholders.
- 11.2.** The Issuer shall be entitled to vary or terminate the appointment of such agents and/or appoint additional or other agents and/or approve any change in the specified office through which any agent acts.

12. Taxation

13. Warranties

15. The security agent

The Security Agent (and any replacing or succeeding security agent) will be deemed to have been appointed security agent in relation to each Security Agreement pursuant to this Condition 15.

15.1. Appointment

15.1.1. The Security Agent is appointed to act as security agent, for and on behalf of the Noteholders, for as long as any Notes remain outstanding in accordance with these Terms and Conditions, and on the terms and subject to the conditions set out in these Terms and Conditions.

15.1.2. The Security Agent is authorised, for and on behalf of the Noteholders, to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given which it has been authorised to do under these Terms and Conditions and the Security Agreements.

15.1.3. The security agency constituted or evidenced by these Terms and Conditions shall remain in full force and effect until receipt by the Security Agent of written confirmation from the Noteholders or the Noteholders' Representative (where so appointed) that all the obligations and liabilities of the Issuer for which these Terms and Conditions are constituted as security have been discharged in full.

15.2. Enforcement through the Security Agent only

15.2.1. If the Notes become redeemable pursuant to these Terms and Conditions, the Noteholders and, to the extent applicable, the Noteholders' Representative, shall not have any independent power to enforcement rights under the Security Agreements, to exercise any rights and/or powers, or to grant any consents or releases under or pursuant to the Security Agreements or otherwise have direct recourse to the security constituted by the Security Agreements, except through the Security Agent and/or as expressly permitted pursuant to the Security Agreements.

15.2.2. For the purposes of this Condition 15.2, each Noteholder (as represented by the Noteholders' Representative, where so appointed) shall be deemed to have hereby waived its right in and to any independent enforcement action, save as contained in these Terms and Conditions, the Security Agreements, and/or, to the extent applicable, the Noteholders' Representative Agency Agreement.

15.3. Instructions to the Security Agent

15.3.1. The Security Agent shall:

- i.** subject to Condition 15.3.4, exercise or refrain from exercising any right, power, authority or discretion vested in it as Security Agent in accordance with any instructions given to it by the Noteholders, or to the extent applicable the Noteholders' Representative (where so appointed); and
- ii.** not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with Condition 15.3.3(i) above (or if these Terms and Conditions, the Noteholders' Representative Agency Agreement or a Security Agreement stipulates the matter is a

decision for the Noteholders or the Noteholders' Representative in accordance with instructions given to it by the Noteholders or the Noteholders' Representative).

- 15.3.2.** The Security Agent shall be entitled to request instructions, or clarification of any instruction, from the Noteholders or the Noteholders' Representative (or if these Terms and Conditions, the Noteholders' Representative Agency Agreement or a Security Agreement stipulates the matter is a decision for the Noteholders or the Noteholders' Representative, from the Noteholders or the Noteholders' Representative) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Security Agent may refrain from acting unless and until it receives those instructions or that clarification that it has requested.
- 15.3.3.** Instructions complying with Condition 15.3 shall override any contrary instructions in that regard given by, or on behalf of any other person other than in accordance with Condition 15.3 and the Security Agent shall be fully protected in complying with such instructions.
- 15.3.4.** Condition 15.3.1 shall not apply:
- i.** where a contrary indication appears in these Terms and Conditions;

- 15.3.5.** In exercising any discretion to exercise a right, power or authority under a Security Agreement where either (i) the Security Agent has not received any instructions as to the exercise of that discretion or (ii) the exercise of that discretion is subject to Condition 15.3.4(iii), the Security Agent shall do so having regard to the interests of all Noteholders.
- 15.3.6.** The Security Agent may refrain from acting in accordance with any instructions of the Noteholders or the Noteholders' Representative, until it has received any indemnification and/or security that it may in its discretion require for any cost, loss or liability (together with any applicable taxes) which it may incur in complying with those instructions.
- 15.3.7.** Without prejudice to the provisions of the remainder of this Condition 15, in the absence of instructions, the Security Agent may act (or refrain from acting) as it considers in its discretion to be appropriate.
- 15.4.** Delegation
- 15.4.1.** The Security Agent may, in the performance of its agency constituted by these Terms and Conditions and in the conduct of its obligations under and in respect of these Terms and Conditions and the Security Agreements, instead of acting personally, employ and pay any professional agent (whether being a qualified lawyer, chartered accountant or any other professional person) to transact or concur in transacting any business and to do or concur in doing any acts required to be done by the Security Agent (including the receipt and payment of money).

15.4.2. Any such agent engaged in any profession or business shall be entitled to be paid all usual professional and other charges for business transacted and acts done by him or any partner or employee of his in connection therewith. The Issuer shall refund the Security Agent the reasonable fees of, and expenses incurred by, such professional agent.

15.4.3. The Security Agent shall be bound to supervise such professional agent and shall, notwithstanding anything to the contrary as may be contained herein, be responsible for any prejudice suffered and/or any loss incurred by the Noteholders, by reason of any act or omission of any such professional agent and/or if the Security Agent shall have acted negligently or with misconduct.

15.5. Powers of the Security Agent

15.5.1. Notwithstanding its powers, rights and discretions in the Security Agreements, the Security Agent shall have, in its capacity as agent in relation to these Terms and Conditions and the Security Agreements, full power to determine all questions and doubts arising in relation to the interpretation or application of any of the provisions of the Security Agreements as it affects the Security Agent and every such determination made reasonably (whether made upon a question actually raised or implied in the acts or proceedings of the Security Agent) shall be conclusive and shall bind the Issuer, on Obligor, the Noteholders' Representative (where so appointed) and/or the Noteholders.

15.5.2. The Security Agent shall be entitled to place the Security Agreements and other deeds, certificates and other documents relating to the security created by the Security Agreements or any of them in any safe deposit, safe or receptacle selected by the Security Agent or with any attorney, firm of attorneys or notary, and may make any such arrangements as it thinks fit (acting in good faith and with the care expected from a reasonable Security Agent) for allowing the Noteholders or the Noteholders' Representative (where so appointed) access to, or its solicitors or auditors possession of, such documents when necessary or convenient, and the Security Agent shall not be responsible for any loss incurred in connection with any such deposit, access or possession unless there has been negligence or misconduct.

15.5.3. The Security Agent shall from time to time take, and keep the Noteholders or the Noteholders' Representative (where so appointed) informed of, all actions or steps that may be reasonably necessary or advisable in order to preserve the value of the security created by the Security Agreements and/or to ensure that the rights of the Noteholders under the Security Agreements are not adversely affected.

15.6. Changes in the Security Agent

15.6.1. Subject to the following provisions of this Condition 15.6, the Security Agent may resign from its appointment as security agent for and on behalf of the Noteholders under and in relation to the Security Documents:

- i. upon not less than ninety (90) days' prior written notice to the Noteholders or the Noteholders' Representative (where so appointed) in favour of:
 - a) any reputable and experienced bank or financial institution with offices in Mauritius nominated by the Noteholders or the Noteholders' Representative (where so appointed) and acceptable to the Issuer; or

- b) failing such a nomination, any reputable and experienced bank or financial institution with offices in Mauritius nominated by the Security Agent and acceptable to: (x) the Issuer; and (y) the Noteholders or the Noteholders' Representative (where so appointed);
 - ii. and such resignation shall only take effect upon the accession by the successor Security Agent to these Terms and Conditions on terms satisfactory to the Noteholders or the Noteholders' Representative (where so appointed).
- 15.6.2.** The Noteholders or the Noteholders' Representative (where so appointed) may at any time without giving any reason require the Security Agent to resign from its appointment as security agent for and on behalf of the Noteholders under and in relation to these Terms and Conditions and the Security Agreements upon not less than sixty (60) days' prior written notice to the Security Agent and shall appoint any reputable and experienced bank or financial institution with offices in Mauritius to act as security agent and such resignation shall only take effect upon the accession by the successor Security Agent to these Terms and Conditions.
- 15.6.3.** Each Party will take all such actions and do all such things as a retiring Security Agent may reasonably require or as the Noteholders or the Noteholders' Representative (where so appointed) may from time to time reasonably require so as to effect any transfer of the function of security agent pursuant to this Condition 15.6 (including, without limitation, in relation to the appointment of a successor security agent and the transfer of the rights and obligations of the Security Agent under these Terms and Conditions and the Security Agreements to such successor, in each case in a legal, valid and binding manner). The taking of all such actions and the doing of all such things shall be a condition to any resignation of the Security Agent, and the appointment of any successor security agent, pursuant to this Condition 15.6.
- 15.6.4.** A retiring Security Agent shall not be responsible for any expenses relating to any retirement or other matter contemplated by this Condition 15.6. All such expenses are to be borne by the Issuer, other than in relation to any voluntary retirement of the Security Agent in which event such expenses shall be borne by the retiring Security Agent in question.
- 15.6.5.** The retiring Security Agent shall only be discharged from its obligations under these Terms and Conditions and the Security Agreements upon the successor Security Agent being appointed pursuant to this Condition 15.6. Upon the appointment of the successor Security Agent and its accession to these Terms and Conditions, such successor Security Agent and each of the other Parties shall have the same rights and obligations among themselves as they would have had if such successor had been a Party in place of the retiring Security Agent.
- 15.7.** Application of monies by the Security Agent
- 15.7.1.** The Security Agent shall hold all monies received in such capacity by it after it has exercised or arising from the exercise of any power conferred on it by these Terms and Conditions and the Security Agreements, on behalf of the Noteholders, and shall apply all monies due to Noteholders in its hands at the date of the exercise of any such power in making the following payments in the order set out hereunder:
- i. first, in paying all reasonable costs (including the Security Agent's remuneration), charges and expenses and satisfying every liability incurred by it in the execution of any

of the powers and provisions contained in these Terms and Conditions and the relevant Security Agreement;

- ii. secondly, in paying all amounts payable on the Notes then outstanding;
- iii. thirdly, in paying all other amounts due in terms of the relevant Security Agreement; and
- iv. fourthly, in paying to the Issuer, any surplus of such money.

15.7.2. All monies received by the Security Agent and payable in accordance with this Condition 15.7 may, pending payment thereof in terms of Condition 15.7, be placed by the Security Agent on deposit in its name in a bank account with any licensed financial institution. The income earned thereon shall be added to the monies available for payment in terms of Condition 15.7.

15.8. Fees of the Security Agent

15.8.1. The Issuer shall pay to the Security Agent such fees as may be agreed from time to time by the Issuer and the Security Agent for the services to be rendered by the Security Agent under the Security Agreements.

15.9. Position of the Security Agent

15.9.1. The Security Agent shall not, by reason of its capacity as a security agent, be precluded from making any contract or entering into any transaction with the Issuer or an Obligor in the ordinary course of the business of the Security Agent or from acquiring or holding any of the Notes or other securities of the Issuer either directly or indirectly provided, however, that should any conflict of interest arise between the Security Agent and the Issuer as a consequence of the foregoing, the Security Agent shall take such steps as it deems appropriate to resolve such conflict to the extent that it deems the same to be inconsistent with its duties as agent.

16. Amendment of these terms and conditions

16.1. These Terms and Conditions set out all the rights and obligations relating to the Notes and, subject to the further provisions of this Condition 16, no addition, variation or consensual cancellation of these Conditions shall be of any force or effect unless reduced to writing and signed by or on behalf of the Issuer.

16.2. These Terms and Conditions may be amended by the Issuer without the consent of the Noteholders for the purpose of curing any ambiguity or of curing, correcting or supplementing and defective provision contained therein, provided that the interests of the Noteholders are not prejudiced by any such amendment.

16.3. The Issuer may, with the prior sanction of a Special Resolution of the Noteholders, amend these Conditions, provided that no such amendment shall be of any force or effect unless notice of intention to make such amendment shall have been given to all Noteholders in terms of Condition 16 above and provided further that any amendment made pursuant to this Condition 16.3 shall not affect the rights and obligations of the Noteholders (each an

‘Interested Noteholder’) and the Issuer pursuant to Note issues made before the amendments come into force except if the Interested Noteholders have expressly consented to such amendment by a Special Resolution of the Interested Noteholders.

17. Meetings of noteholders and noteholders’ representative

17.1. The provisions of this Condition 17 shall apply mutatis mutandis to the calling and conduct of meetings of any Series of Notes, or class of Noteholders, as the case may be.

17.2. Meeting of Noteholders if no Noteholders’ Representative is appointed

17.2.1. The Issuer may, on its own or at the request of a Noteholder, at any time convene a meeting of the Noteholders of any Series of Notes, provided that prior written notice of at least fourteen (14) days is given to such Noteholders. Notice shall be given in terms of Condition 14 above. Such notice shall specify the date, place and time of the meeting to be held (which place shall be in Mauritius) and the general nature of the business to be transacted but it shall not be necessary (except in the case of a Special Resolution) to specify in the notice the terms of any resolution to be proposed. The accidental omission to give notice to or the non-receipt of notice by any of the Noteholders shall not invalidate the proceedings at any meeting.

17.2.2. A director or duly appointed representative of the Issuer may attend and speak at a meeting of Noteholders, but shall not be entitled to vote, other than as a proxy or representative of a Noteholder.

17.2.3. 9. RISK FACTORS

Capitalised words used in this section headed 'Risk Factors' shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or clearly inappropriate from the context.

Prior to making an investment decision, prospective investors in the Notes should consider carefully, along with the information contained in this Listing Particulars, the following risk factors associated with an investment in the Republic of Mauritius, the Issuer and the Notes. The risks and uncertainties below are not the only ones the Issuer and the Notes face. Additional risks and uncertainties not presently known to the Issuer, or that it currently believes are immaterial, could also impair the Issuer's business operations and, as a result, its ability to service its payment obligations under any Notes. Investors should pay particular attention to the fact that the Issuer is governed by legal and regulatory environment in the Republic of Mauritius which in some respects may differ from that prevailing in other countries.

The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out in this Listing Particulars to reach their own views prior to making any investment decision. The information given below is as at the date of this Listing Particulars.

9.1 Risks relating to the issuer

The risk factors set out below could affect the Issuer's future results and cause them to be materially different from expected results. The factors discussed below should not be regarded as a complete and comprehensive statement of all potential risks and uncertainties the Issuer's business faces.

The investments, business, profitability and results of operations of the Issuer may be adversely affected as a result of the difficult conditions in the Issuer's operating environment.

The Issuer's subsidiaries (the 'Subsidiaries') conduct a substantial proportion of the Issuer's operations and own a major part of the Issuer's assets. The Issuer's cash flow and its ability to meet its obligations depend on the cash flow of the Subsidiaries. The nature of activities of the Subsidiaries may differ from that of the Issuer. In addition, the payments of funds in the form of dividends, intercompany payments, tax sharing payments and other forms may be subject to restrictions under the law of the countries of

incorporation of the Subsidiaries and associates, as well as restrictions in third party agreements (such as loan agreements, bank facility agreements and/or bond issuance agreements).

Market Risk

The risk arising from a change in the market value of a portfolio of financial instruments caused by adverse movements in market variables such as equity, bond and commodity prices, currency exchange and interest rates, affecting the ability of counterparties in that country to meet their financial obligations.

Foreign exchange risk

The Issuer is exposed to the risk that the exchange rate of the Mauritian Rupee relative to foreign currencies may change in a manner which has a material effect on the reported values of the Issuer's assets and liabilities. The Issuer undertakes certain transactions denominated in foreign currencies and hence, exposures to exchange rate fluctuations arise. It is mainly exposed to the United States Dollar (USD), Euro (EUR) and Kenyan Shilling (KES).

Funding and liquidity risk

The Issuer has a business model that requires it to borrow money to meet various types of obligations that it enters into on its behalf or as a result of client transactions. There is a risk that the Issuer is unable to secure funding in a timely manner to meet its obligations. The issuer manages this risk by diversifying its sources of funding and indeed the type of funding available to it.

Regulatory and Compliance risk

The risk that is primarily linked to the impact of changes in legislation and regulations on the operation and functioning of the Issuer. It is the risk of statutory or regulatory sanction and material financial loss or reputational damage, which eventually results in the risk of losses, fines or penalties linked to the failure to comply with any applicable laws, regulations or supervisory requirements. Companies within the Group may be subject to banking, financial services laws, regulations, administrative actions and policies (as applicable) in the relevant jurisdictions where they operate. Changes in regulations may materially affect the Issuer's business, its products and services and net worth.

Strategic and business risk

The risk to current or prospective earnings arising from inappropriate business decisions or inadequate future business strategies in relation to the operating environment. The risk is, usually, caused by inflexible cost structures, changes in the business environment, Government or

international regulatory decisions, client's behaviour and technological change, and Group-specific factors such as poor choice of strategy. The risk includes strategic risk, business risk, as well as environmental, social and governance risks

Reputational risk

The risk of loss resulting from reputational damage to the Group's image caused by a negative media coverage, compliance failures, litigation or underperformance. Such damage may result in a breakdown of trust, confidence and business relationships, which may impair the Group's ability to retain and generate business.

Interest rate risk

The Issuer is exposed to interest rate risk as entities in the Group borrow funds at both fixed and floating interest rates. The Issuer manages the risk by maintaining an appropriate mix between fixed and floating rate borrowings.

Other price risks

The Issuer is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes.

Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Issuer. The Issuer has adopted a policy of only dealing with creditworthy counterparties, as a means of mitigating the risk of financial loss from defaults. Credit exposure is controlled by counterparty limits that are approved and reviewed by key management on regular basis.

Liquidity Risk

The Issuer manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Operational Risks

The Issuer is exposed to operational risk defined as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. The processes are periodically re-evaluated to ensure their effectiveness.

Cyclical nature of revenues of a holding company

As a holding company, a significant portion of the Issuer's revenues are dependent on the performance of its subsidiaries and, in particular, the dividends the Issuer receives from those subsidiaries.

The Issuer's operations may be adversely affected by litigation

The Issuer, in its normal course of business, may be subject to litigation, claims from tax authorities or claims arising from the conduct of its business. The occurrence of potential proceedings, or other claims leading to a substantial legal liability could have a material adverse effect on the Issuer's business, results, operations, reputation and financial condition.

The Issuer endeavours to act within the laws of Mauritius and thus whilst litigation may arise in the conduct of its business, none would have a material impact on the business.

Related party transactions

The Issuer enters into related party transactions with other entities forming part of the Cim Group. These related party transactions are entered into in the course of normal operations, including trading, investments and guarantees. The transactions are priced at the prevailing market rates at the time of the transactions. A significant portion of this activity involves lending funds to subsidiaries. The Issuer ensures that all related party transactions are within the laws of Mauritius.

Inability to recruit, retain and motivate key personnel

The Issuer's performance is dependent on the talents and efforts of key personnel, some of whom may have been employed by the Issuer for a substantial period of time and have developed with the business. The Issuer's continued ability to compete effectively and further develop its business segments also depends on its ability to attract new employees. The loss of key members of its senior management or the inability to attract and retain qualified professional staff generally may interfere with the Issuer's business and could result in a material adverse effect on the Issuer's business.

Terrorist acts and other acts of war

Terrorist acts, and other acts of war or hostility and responses to those acts, may create economic and political uncertainties, which could have a negative impact on Mauritius, and international economic conditions generally, and more specifically on the business and results of operations of the Issuer in ways that cannot be predicted.

Political, social and economic risks in Mauritius

The Issuer's operations are concentrated in Mauritius its revenues deriving from operations primarily in Mauritius. Operations in this market are subject to various risks that need to be assessed in comparison to jurisdictions elsewhere. These include political, social and economic risks specific to

Mauritius, such as general economic volatility, recession, inflationary pressure, exchange rate risks and exchange controls, which could affect an investment in the Notes. General economic volatility could be influenced by global political events such as terrorist acts, war and other hostilities, as well as market specific events, such as shifts in consumer confidence and consumer spending, rates of unemployment, industrial output, labour or social unrest and political uncertainty. The existence of such factors may have an impact on Mauritius and the results of the Issuer in ways that cannot be predicted. Income streams derived from foreign investments may be exposed to political, social and economic risks associated to these jurisdictions.

9.2 Risks relating to the notes

The Notes may not be a suitable investment for all investors

The Notes that will be issued pursuant to the Initial Issue under the Programme will be offered to 'qualified investors' (as this term is defined in Chapter 18 Part B of the Listing Rules, that is investors acceptable to the SEM who are knowledgeable and understand the risks of investing in specialist debt instruments and include but are not limited to expert investors as defined in the Securities (Collective Investment Schemes and Closed-end Funds) Regulations 2008).

Each potential investor must determine the suitability of that investment in light of its own circumstances.

In particular, each potential investor should:

- ▶ have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Listing Particulars or any applicable supplement;
- ▶ have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- ▶ have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- ▶ understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- ▶ be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as part of an overall portfolio strategy with an understood, measured and appropriate contribution to risk and diversification of their overall portfolios. A potential investor should not invest in Notes that are complex financial instruments unless it has the expertise (either alone or with a

financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

There is no active trading market for the Notes

Notes issued under the Programme may not be widely distributed and there may not be an active trading market for the Notes (unless in the case of any particular Series, such Series is to be consolidated with and form a single series with a Series of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer.

The Issuer may issue listed or unlisted Notes. The continued listing of any Series of Notes on the SEM and/or on such other securities exchange(s) is subject to the rules of the SEM and/or such other securities exchange prevailing at that time. There can, accordingly, be no assurance that the listing of any Series of Notes will continue until the Maturity Date of such Series of Notes. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Series of Notes.

The Notes may be subordinated to other Issuer's liabilities. Prospective investors should look at the applicable pricing supplement for details on the seniority / subordination of the bond.

The payment obligations of the Issuer under unsecured Notes will rank behind secured Notes. Unsecured Notes constitute direct and unsecured obligations of the Issuer and rank pari passu among themselves and pari passu with all other unsecured indebtedness (other than subordinated indebtedness).

Credit Rating

Series of Notes issued under the Programme may be rated or unrated. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

Minimum Subscription

The Notes may be issued in such denominations and minimum subscription amounts as are specified in the Applicable Pricing Supplement. As such, where the minimum subscription amount is not achieved, the Issuer will not proceed to accept bids or allot any Notes.

Exchange rate risks

The Issuer will pay principal and interest on the Notes in the Specified Currency (as defined in the Applicable Pricing Supplement). This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the 'Investor's Currency') other than the Specified Currency.

These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (i) the Investor's Currency-equivalent yield on the Notes, (ii) the Investor's Currency equivalent value of the principal payable on the Notes and (iii) the Investor's Currency equivalent market value of the Notes. Similarly, the Issuer may be exposed to potential losses if the Specified Currency were to depreciate against major currencies in which the Issuer's revenues are based, which may have an adverse effect on its financial condition and results of operations.

Legal restrictions on certain investments

The investment activities of some potential investors may be subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk based capital or similar rules.

Structural risks of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

The risk of optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally may not rise substantially above the price at which they can be redeemed. This may also be the case prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. In these circumstances, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their nominal amount tend to fluctuate more in relation to general changes in interest rates compared to prices for conventional interest bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest bearing securities with comparable maturities.

Modifications, waivers and substitution

The Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions allow majority Noteholders to bind all Noteholders, including those who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Amendment or review of prevailing laws

This Listing Particulars, the Notes and the Terms and Conditions, are governed by, and will be construed in accordance with, the laws of Mauritius. No assurance can be given as to the impact of any possible judicial decision or amendment and, or review of the laws of Mauritius or administrative practice in Mauritius after the date of this Listing Particulars.

10. DOCUMENTS AVAILABLE FOR INSPECTION

For a period not less than fifteen (15) calendar days from the date of this Listing Particulars and for as long as Notes are in issue under the Programme, copies of the following documents will, when published, be available during normal business hours (Saturdays, Sundays and public holidays excepted) from the registered office of the Issuer:

- i. the Constitution of the Issuer;
- ii. the audited Annual Financial Statements for the years ended 30 September 2016, 2017 and 2018, prepared in accordance with IFRS;
- iii. the latest publicly available audited consolidated annual and unaudited interim financial statements (if any) of the Issuer, prepared in accordance with IFRS; and
- iv. each Agency Agreement, Noteholders' Representative Agency Agreement and Security Agreement.
