The Board of **Mauritian Eagle Leasing Company Limited** ('MELCO') wishes to inform the clients of the company that it has notified the Bank of Mauritius ('BoM') of its intention to surrender the company's deposit-taking licence once all existing deposits have been redeemed and all other conditions imposed by the BoM have been met.

This decision stems from the desire of MELCO to focus its development plans on its core business i.e. its leasing activities. MELCO will also be able to rely on the support of its parent company, CIM Financial Services Ltd ('CFSL'), for funding. In addition, CFSL intends to look at raising funds through capital markets in Mauritius to diversify its funding mix and to support the future growth of MELCO.

MELCO will thus no longer accept new deposits and/or renew maturing deposits. Concurrently, all existing deposit holders have been informed in writing of the procedure that will be adopted by MELCO for the redemption of their deposits.

The Board of MELCO would like to confirm that it has the necessary funds to proceed with an orderly redemption of the deposits and that all of its other activities remain unchanged.

Clients are invited to contact MELCO on 2032052 / 2032039 for any information that they require on this matter.
