

Data Retention and Disposal Policy

Cim Finance Ltd has adopted a Data Retention and Disposal Policy which is in compliance with PCI DSS requirement 3. The requirement 3 of the PCI DSS states that stored cardholder data should be protected at all levels.

Cim Finance Ltd has a policy of minimizing data storage amount and retention time to that which is required for legal, regulatory, and business requirements.

For confidentiality and security reasons, the Data retention and Disposal Policy has not been published on the website on Cim Finance.
